

HAND PICKED

The **Richmond Bookbinding Project** is an outreach project of **MAPSA**, a non-profit organisation situated in the Karoo.

RICHMOND BOOKBINDING PROJECT

RECYCLED-ONE-OF-A-KIND

Hand made notebooks,
covered using salvaged
potato, sugar, cereal,
flour & cement bags
— each one recycled,
each one unique —
inspired by & crafted
in the Great Karoo.

**FULL BOUND
CUSTOM BRAND/LOGO LINOCUT PRINT**

■ A5 & A6 ■ 192 pages ■ 80gsm acid & lignin-free ■
Hand made notebook covered using salvaged potato bag liners
— each one recycled, each one unique —

The bookbinding team creates unique covers—designing, preparing, and printing linocuts on used potato bags and potato bag liners.

PROJECT OBJECTIVES

- Nurture a culture of book appreciation and visual story-telling;
- A sustainable print and bookbinding project and business model for the community of Richmond;
- Create an income for Richmond community arts-workers through creative action;
- Develop administrative administration skills and sustainable small business acumen;
- Promote the development of arts-workers and encourage new artists to emerge from rural communities;
- Create an income for Richmond community arts-workers through creative action;
- Support South African artists and allow them to grow their practice and share their skills;
- Expose broader communities to contemporary arts;
- Help develop the town of Richmond as a significant place of creative action.
